---

---

---

---

---

---

---

---

---

## 7. Progress on County Health Improvement Planning

Organization	Actions To Date	Suspense Actions
Arenac Multi-Purpose Collaborative Body	06/14 – VR attended mtg. They have created a Community Needs Assessment Planning Sub-Committee which meets after the MPBC meeting. It was agreed that they best route would be to have VR attend those meetings and for CMDHD to support that group. CMDHD has been given permission to invite people who are not members of the MPCB to take part in the assessment. Next meeting is on Aug 9 <sup>th</sup> at 2PM or immediately following the full meeting.	08/09 – VR and others willing to serve on the Arenac County Community Needs Assessment Committee to attend meeting. <i>Location</i> Arenac County Department of Human Services 3709 Deep River Road Standish, MI 48658 <i>Contact</i> Trisha Charbonneau-Ivey 989-895-2381 tively@babha.org

---

## 7. Progress on County Health Improvement Planning

Organization	Actions To Date	Suspense Actions
Gladwin County Human Services Coordinating Body	06/15 – VR presented. It was determined that there will be Executive Committee before the July 20th meeting to discuss whether to champion the effort, and they will present their opinion at the July 20th meeting.	07/20 – VR to attend meeting to find out the Executive Committee's decision
Roscommon Human Services Collaborative Body	06/16 – VR presented. The HSCB voted to approve a HIP working Group. Members will include representatives from: Mercy Hospital – Grayling, MidMichigan Health, Michigan Works, MSU Extension, Northern Lakes Community Mental Health, North West Community Action Agency, Roscommon County Transportation Agency, and CMDHD	VR to coordinate with Cindy Dehadurantaye, HSCB Secretary, to schedule a meeting. It may not take place until August. Location to be determined.

---

---

---

---

---

---

---

---

## 8. Additional Health Indicators

Additional county specific information packages are being prepared with data from the US Department of Health Community Health Status Indicators Report located at [www.communityhealth.hhs.gov](http://www.communityhealth.hhs.gov).

The packages contain information on

- Demographics
- Vulnerable Populations
- Access to Care
- National Leading Causes of Death by Age Group
- Risk Factors for Premature Death
- Measures of Birth and Death
- Relative Health Importance
- Infectious Disease Cases
- Environmental Health

---

---

---

---

---

---

---

---

## 8. Additional Health Indicators

CMDHD is in process of developing an additional set of approximately 40 indicators regarding mortality, morbidity, and health factors.

The data will be by county.

---

---

---

---

---

---

---

---

## 9. Funding/Partnership Opportunities

---

---

---

---

---

---

---

---

## 10. Other Items/Discussion

---

---

---

---

---

---

---

---

## 11. Next Meeting Date

Proposing July 15, 2010

---

---

---

---
