1/8 page Black and White Advertisement for Central Michigan District Health Department

Central Michigan District Health Department is pleased to announce the addition of Laurie Brenner BSN, WHNP-BC to our traveling Family Planning team!

Laurie is a dedicated Women's Healthcare Nurse Practitioner with 37 years of experience providing all aspects of women's health care with a focus on well woman health, obstetrics family planning, menopause, and adolescent care/education and coordination.

CMDHD Family Planning Program offers a wide range of services including birth control prescriptions and consultations, preventative tests including pap tests and mammograms, and STD testing for both men and women.

Laurie is now accepting new patients in our Standish, Gladwin and Prudenville locations. Call (989) 366-9166 extension 1316 to schedule your appointment.
