Emergency Preparedness

We work with emergency response partners, schools, businesses and community organizations to:

- > Create and exercise emergency plans
- > Educate local residents
- > Provide public health resource coordination during local/regional emergencies.

Environmental Health Services

Our Environmental Health Staff provide:

- > Bathing beach water quality testing
- > Body Art Facility inspections
- > Campground inspections
- > Drinking water services: new and replacement water supply permits, contamination investigations, complaint response
- > Licensed DHS child and adult care facility inspections
- > On-site sewage services: new and replacement permits, evaluations of vacant land & evaluations of systems during remodeling or home sales and complaint response
- > Restaurant inspections
- > Subdivision and site condo development program
- > Swimming pool inspections
- > Water testing and laboratory

Health Promotion Programs

CMDHD Health Educators provide:

- > Cardiovascular disease screenings (cholesterol and blood pressure)
- > Community based outreach activities (presentations, workshops, and public information)
- > CPR, First Aid, and Blood Borne Pathogen trainings
- > HIV Testing & Counseling
- > Infant and child programs
- > HIV Partner Service Program
