

Central Michigan District Health Department

Promoting Healthy Families, Healthy Communities

Jennifer Morse, MD, MPH, FAAFP
Medical Director

Steve Hall, RS, MS
Health Officer

We need you to help businesses and families in our community.

Consider joining our experienced Environmental Health team and make a difference in the lives of residents and visitors in the beautiful Central Michigan area. The Central Michigan District Health Department needs a full time (40 hours/week) **Sanitarian/Environmental Health Specialist (EHS)** in the **Osceola County Branch** office to support environmental health activities.

A successful EHS will develop skills in problem solving for onsite wastewater treatment systems, water wells, and other environmentally related areas important to community members. Broad exposure to programs will result in an experienced individual who is recognized as an environmental health expert in the community. Strong verbal, public presentation, and written communications play a key role in promoting our mission and our belief that education is vital to effect long term change for the better.

An individual that has prepared for this challenge with a minimum of a **4-year Bachelor of Science or Arts degree with a major in environmental health, chemistry, biology, geology, engineering, or a closely related field is required.** Advancement opportunities will be available to those with national (REHS) or State (RS) registration and that demonstrate attention to detail with strong customer service and leadership skills. CMDHD is a progressive agency that develops people who can and do solve problems daily.

CMDHD offers a comprehensive benefit package including the ability for a flexible work schedule. Full benefits, including health/life/dental insurances, paid vacation, and sick leave days with additional days of personal time per year, paid holidays, MERS defined contribution retirement with up to 10% employer contribution. Salary Range: Non-Registered \$21.87 - \$26.67/ hour, Registered Sanitarian / REHS \$24.09 - \$29.39/ hour. This position will remain open until filled, with first consideration given to applications received by September 15, 2023. Apply to:
