Health Officer

## **We need you to help families in our community!**

We welcome you to join our team as a **Registered Dietitian** (0.8 FTE, 32 hours per week) position in the **Arenac** and **Roscommon** County Branch offices of the Central Michigan District Health Department, improving the health outcomes of women and children in the community. For the right candidates, this position may be separated into two part time positions. This position is an integral part of our public health team serving both the Women, Infants and Children (WIC) Program and the Maternal and Infant Health (MIHP) Program, providing nutrition education, support, and direction to families. Having excellent communication skills to accommodate our client's health related needs and concerns, while being detail oriented and possessing exceptional technical and counseling skills are necessary. Opportunity for utilization of new technologies in telehealth may be available. A Bachelor of Science Degree in nutrition and with current registration as a Registered Dietitian required. One year experience in community health nutrition or outpatient counseling recommended. Home visiting experience desired. Will consider new graduates who pass the Registration Exam within 6 months of hire. CMDHD is a progressive agency that develops people who can solve problems on a daily basis. CMDHD offers a comprehensive benefits package for full time employment only; including health/life/dental insurances, prorated leave time with 12 vacation and 12 paid sick leave days with an additional 3 ½ paid days of personal time per year, prorated 11 paid holidays, and MERS defined contribution retirement with up to 10% employer contribution. This position offers a flexible schedule and great work hours. The position will remain open until filled with the first priority given to those who apply by July 27, 2022. Hourly range \$23.16-\$29.21.
