

# HARM REDUCTION

## MOBILE SERVICES

**WHERE:** First Congregational Church - 211 W. Spruce St. Harrison, MI

**WHEN:** Thursday's - May 25th, June 22, July 27th, August 24th, & September 28th

**TIME:** 12:00pm - 3:00pm

Exchange Central is a safe and confidential program that makes sterile syringes accessible to people who use drugs. Access to sterile syringes is an evidence-based public health service that reduces the spread of HIV and Hepatitis C. We offer a place to connect with other resources like treatment, testing, and overdose prevention education and medication. Services are available by mobile unit.

**Call or text Exchange Central at (989) 259-4549 for more information!**
